

## Demonstration of LaResista Corsets

March 6th to 11th

IT'S easier to make a mistake when buying corsets than any one article of dress—but not in our store. That carefulness on our part is the reason why so many well dressed women refuse to buy corsets at any other store.

**LaResista Corsets** are recommended for their style, perfect fit, comfort and durability. These Corsets are fitted with "spirabone" in all vital parts. The only corset stays as flexible as the human body. **WILL NOT BREAK.**

Mme. Lessor of New York, expert corsetiere, will exhibit and demonstrate the very latest styles in LaResista Corsets at our corset department, Monday, March 6, 1911. Do not fail to see them. You will be delighted with the beauty of the materials, the dainty trimmings, the exquisite styles, moulding the figure to fashion's slender, graceful lines, yet so absolutely comfortable on account of the scientific construction and wonderful "spirabone" stays that the wearer is almost unconscious of being corseted.

Remember the date, Monday, March 6, closes Saturday night, March 11.

"The Vampire"—a picture dramatization from Sir Ed Burne-Jones' famous painting, with suggestions from that world-famous poem by Rudyard Kipling—each conceded a peer in the literary and world of art. This great subject handles deftly the realms of the imaginary inner circle of society.

(Even as you and I)

A fool there was and he made his prayer—

To a rag and a bone and a hank of hair—

(We called her the woman who did not care)

But the fool called her his lady fair—

(Even as you and I).

Guy Temple, as "the fool there was" marries his brother's ward, his boyhood sweetheart, Emily. The young husband becomes ensnared in the coils of the Vampire (a destroyer of souls). Claustrine meetings are arranged and the cunning, unscrupulous, satanic actions of the Vampire compels the poor weakling, Temple, to falter and fall before her charms. It's at the Dreamland.

Joseph Cherazi and Luigi Rovelli will leave the city to-night for New York, and will sail from there within a few days for their former home in Italy.

Miss Helen Bolger, a teacher in the city schools, has been called to her home in Jericho by the death of her mother. Miss Mary Carleton is supplying in Miss Bolger's absence.

## APPENDICITIS

Cured Without Operation.

Here is Sworn Proof!

STATE OF MINNESOTA, }  
COUNTY OF STEELE, ss.  
I, Richard Jahreis, of Owatonna, Minn., being first duly sworn, do say that I am the person named in and who subscribed the following statement and the same is true of my own knowledge, in every particular: "I had severe pains in my right side, just above the Appendix. I went to the doctor and he pronounced my case Appendicitis and advised an operation. Instead I went to Zamboni Bros. Drug Store and bought a bottle of (Adler-i-ka) Treatment. After taking it the result was indeed wonderful. The pains stopped and I felt like a new man. I heartily recommend (Adler-i-ka) Treatment to anyone troubled with Appendicitis, as I know it has cured me." (Signed) RICHARD H. JAHREISS, Subscribed and sworn to before me June 29, 1905. J. NEWSALT, Notary Public, Steele County.

Appendicitis is becoming worse and worse, and everyone should know of this wonderfully successful treatment. A valuable book, showing many pictures of that curious and little known organ, the human Appendix, and telling how Appendicitis is caused, how it can be treated without operation, and how you can easily guard yourself against it, will be given FREE to anyone calling at our store.
